Dear RM Fencing-Wrought Iron,

We are so grateful for your contribution that you made in the building of the beautiful new girl's home that is called "Bonnie's Place." The ten girls who were in need of a home, the house parents, and their children are enjoying this spectacular home. This is far more than we ever dreamed of. I know that Blandford Homes and Sunshine Acres appreciate your generosity that made "Bonnie's Place" possible.

My parents, Jim and Vera Dingman prayed for seventeen years to have a children's home and they were so happy when it became a reality in 1954. We have cared for 1,690 children and have never turned a child away for financial reasons. My parents bought this 125 acres for \$29,500. They said we were never to sell any of this land, as it was given for children in need of a loving home. I see their dream being answered, as we are continuously growing.

It has been friends like you that have made Sunshine Acres what it is today and when you help one child, you have helped many generations. Again, we thank you for your generous gift.

Sincerely,

Carol L. Whitworth
President CEO
